return if at any time the spread falls below 30 points. The losing coach may opt to ignore this rule at any time.

****Tie Breakers**

1. If teams are tied at the end of Pool Play the following TIEBREAKER rule will determine which team(s) will advance:
2. In any situation where two (2) teams are tied, head-to-head competition between the teams will determine the winner.
3. If more than two (2) teams tie, a point differential tie-breaker will be applied. ~~The point differentials of the teams involved in the tie are totaled. Teams are then ranked according to the sum of the point differential— with the highest number placing first, the second highest placing second. (The maximum that you can beat a team and still gain an advantage is 15 points.)~~
4. If two (2) teams are still tied after the application of the formula, go back to (1.) to break the tie.
5. ~~If more than two (2) teams are still tied after the application of the formula, the point differentials of the teams not involved in the tie are added, and the results recalculated.~~
6. The score of all forfeits and games shall be 15-0 maximum. vii. If there is still a three way tie, three way flip of the coin. Odd coin out.

** Southeastern AAU girls basketball follows the AAU National rules on tie breakers EXCEPT for the line items crossed out. Please note that the National AAU Tournaments will follow these tie breaker rules for National events. These crossed out items are valid during the National Events.

Women may wear dresses or skirts appropriate to the occasion. Any non-athlete on the bench will be removed until properly attired. Violation of this rule shall result in a two (2) shot technical foul. The violator will be removed from the bench.

Player/Team Participation

An athlete may participate in a maximum of three (3) grade divisions of the AAU Girls' Basketball program for which she can qualify, but only with teams under the same club. An athlete may play in any grade division above her current grade as long as she meets the age requirement. This shall apply to any qualifying event as well as the DQT or SRT. A team that qualifies for Division I may also play up a grade division and participate in Division II.

5 game a day per player limit

Southeastern AAU girls basketball will adopt a limit on the amount of games in one day a player can participate in. This is for the safety of the player. No one individual player may be allowed to participate in any game, for any amount of time and/or be on the bench for more than 5 games in one day. No player, during the Southeastern District Tournament or a series qualifying tournament, will be allowed to play and be on both rosters for the same grade.

Example: a 6th grade club that has 2 teams, regardless of division the team is participating in at the State tournament or qualifying tournament, will not be allowed to have a player on both rosters. They will be allowed to have a player play in the 6th grade division and the 5th grade division as long as they are of the age requirements for a player playing down a grade or up a grade. Rosters must be clearly indicated of these particular special players. A player may be able to start one game with her grade and then leave the court to go play in another game possibly overlapping. Once that player leaves the bench of that first game, they will not be able to return to the first team during that same game. They can return to play additional games with either team after that particular game is completed.

Thank you and please make sure you follow this guideline as it will be closely watched and enforced. Failure to observe this rule, will cause a forfeit for the team that the young lady plays for in that 6th or more games. Or a forfeit if the player participates for two club teams for the same grade (even if one of the same grade teams are playing a different division)

No Player can play for two teams that are of the same grade during the same tournament.

It is the responsibility of the Coach, to notify the tournament director, of any such cases up on check-in at the start of the tournament. The player must be registered appropriately with an AAU card and listed on that team's roster prior to the tournament. Also, must check in, with the official scorer before the game they will be on the bench and mark that player's name on the score sheet with an asterisk.
